

## Company Description

The LTA is strictly for practising Corporate Treasurers from the region; its initial aims are to, through networking, share experiences, express common points of view, provide and share 'best practice' material and undertake joint actions on financial and treasury matters in the future.

The LTA has members representing CFOs and Treasurers from Argentina, Brazil, Chile, Colombia, Mexico, Panama, Peru, Uruguay and Venezuela. The Association will organise a series of networking events over the coming months and welcomes all new members.
