

Company Description

The Finnish Association of Corporate Treasurers (FACT) is an informally organised club of corporate treasurers with currently (May 2008) 34 members from 30 companies in Finland. Its mission is to serve as a professional forum to its members, who meet twice a year to discuss topical treasury issues of common interest. Prominent speakers are from time to time invited to give presentations at the semiannual meetings. FACT is a member of the EACT since 2005.
